CSGI
c/o Dipartimento di Chimica "Ugo Schiff"
Università degli Studi di Firenze

Direttore Prof. Emiliano Fratini

CALL ID: CSGI-SI-16/2022

The Center for Colloid and Surface Science (CSGI) has an open position for a researcher, with experience in Synthesis and Characterization of Lipid-based Nanomaterials.

The fellow will have the possibility to work at world-class scientific level in a multidisciplinary and international team, on a joint academic-industrial project entitled:

“Solid lipid nanoparticles for the encapsulation of perfumes and natural actives and their stability in surfactants”

Time period:

January 2, 2023 – September 30, 2023

Location:

CSGI, University of Siena, Department of Biotechnology, Chemistry and Pharmacy, Via A. Moro, 2 - 53100 Siena

Job Requirements:

CSGI is looking for a highly motivated young researcher with a BsC or Master degree in Chemistry, with expertise in the following fields:

- Preparation of solid lipid nanoparticles;
- Characterization of nanomaterials through spectroscopic and spectrometric techniques

The recruited person will:

- Actively participate in research, lab management and set-up of new experimental methodologies
- Perform the planned research activities, analyse data and write the mid-term and final reports
- Actively participate in research meetings with the industrial partner

Gross salary: EUR. € 1.150,00/month
