

# CONSORZIO INTERUNIVERSITARIO PER LO SVILUPPO DEI SISTEMI A GRANDE INTERFASE

CSGI  
c/o Dipartimento di Chimica "Ugo Schiff"  
Università degli Studi di Firenze

Direttore Prof. Emiliano Fratini

**CALL ID: CSGI-SI-06/2023**

The Center for Colloid and Surface Science (CSGI) has an open position for a researcher, with experience in Aquatic Citizen science.

The fellow will have the possibility to work at world-class scientific level in a multidisciplinary and international team, on a EU Horizon project entitled:

**“Social Transformation for Water Stewardship through Scaling Up Citizen Science”**

Time period:

**01 August 2023 – 31 January 2024**

Location:

CSGI, University of Siena, Department of Biotechnology, Chemistry and Pharmacy, Via Aldo Moro 2, 53100 Siena (SI)

Job Requirements:

CSGI is looking for a highly motivated young researcher with a M.S. or M.A. in cognitive sciences or sociology, with expertise in the following fields:

- Citizen science.
- Aquatic sciences

The recruited person will:

- Actively participate in research and delivery of specific deliverables of the second work package related to citizen science and the delivery of the EU Water Framework Directive, the Biodiversity Directive and Marine Directives
- Perform an in-depth literature review addressing citizen science projects on freshwater and marine ecosystems, in collaboration with OTTERs scientists.
- Actively participate in biweekly research meetings with project partners
- Contribute to the writing of 3 draft White papers.

Gross salary: up to EUR. 8.580,00 € for the 6-month activity.

For more information, please contact Prof. Steven Loiselle ([loiselle@unisi.it](mailto:loiselle@unisi.it))

All applicants must send:

1. [This signed application letter](#);
2. Academic CV (including a list of publications, a list of courses and a list of talks given), description of research interests and research agenda.
3. Degree certificates.
4. List of all titles, documents and publications that can be relevant for the selection.
5. Contact details of two potential references.
6. Copy of a personal I.D. (printed on both sides).

All applications must be sent by email to [recruitment@csgi.unifi.it](mailto:recruitment@csgi.unifi.it) **no later than 19 July, 2023 – 10:00 CET.**

Please report the CALL ID ( CSGI-SI-06/2023) in the subject of the email.

A colloquium with the evaluating committee might be requested. The colloquium can take place either face-to-face or via telematic meeting.

The commission will rank the suitable candidates; the ranking will be published on the CSGI website at [https://www.csgi.unifi.it/work\\_with\\_us.php](https://www.csgi.unifi.it/work_with_us.php) and will remain effective for a period of one year from the date of its approval. This ranking may be used by CSGI to replace the appointed candidates in the event of renunciation, non-employment, forfeiture, termination of the employment relationship, or for equivalent positions.

The winner of this position may be excluded if he/she would postpone the beginning of the research activity later than 15 August 2023.

Personal data will be collected and handled according to the GDPR- General Data Protection Regulation (EU) 2016/679.

Sesto F.no, July 4<sup>th</sup>, 2023
