POST-DOC POSITION AVAILABLE AT CSGI-FIRENZE

Background Required in Polymer Films, Hydrogels and/or Colloids

A **Post-Doc position** is available at CSGI-Firenze in the framework of a joint project with [Procter&Gamble](#). The successful candidate will work in the CSGI lab in Florence (Italy), but will also constantly connect with different research teams in P&G.

Candidates must have a PhD and a significant experience in polymers, hydrogels and/or colloids, especially in the preparation and modification of films.

Appointment will be for one year with renewal based on performance. Applicants should submit CV, statement of research and contact information (for three references) via email to:

Dr. Massimo Bonini

bonini@csgi.unifi.it

Deadline: **January 31st, 2015.**
