Subject: Open position for an early-stage researcher within the EU Project "BIOCLEAN" (BIOfilm management and CLEANing by leveraging fundamental understanding of biological, chemical and physical combined approaches, 722871)

The examination committee for the position of a researcher within the BIOCLEAN project composed of Prof Claudio Rossi, Prof Agnese Magnani and Dr Marco Consumi convenes on November 11th, 2016 at CSGI c/o Department of Biotechnology, Chemistry and Pharmacy University of Siena (Italy) to examine the received applications.

After a careful evaluation of the candidates' CV and expertise, the committee declared that Kamila Jankwoska is the most qualified for the job position.
